DIGITAL TRANSFORMATION OF YOUR FORMS

TransForm

Digitize Your Paper Based Forms

CIMCON's TransForm software transforms your paper-based forms into an electronic, web-based form that is fully 21 CFR Part 11 compliant, and can be signed off electronically at the same location or across the world. Form data is stored in a database for easy retrieval, reporting and analysis that can drive greater efficiencies.

Benefits:

- Greater efficiencies
- Electronic Signatures
- Workflows
- 21 CFR Part 11 Compliance

TransForm Software Features

Import/Design Forms
Import compatible forms directly into TransForm, or create new ones using Form Designer.

Data Validation
Field type, pick lists and ranges validate the entered data.

Workflow Designer
Design workflows for form completion with email alerts.

Electronic Signatures
Sign-off on forms electronically.

Data Visualization
Analyze and view form data any way you want.

Collaborate
On data in the same office or across the world.

Search
Search and retrieve data at the click of a button.

Part 11 Compliant
Security, audit trails and electronic signatures.

Modules:

- Import Forms
- Form Designer
- Workflow Designer
- Document Management
- Training Management
- Lab/Instrument Monitoring
